

~For children and parents with foreign roots~

Seminar on Cost of Education in Japan

Having knowledge of right time and cost of education in Japan,

Get it prepared!

★Free! ★With interpreter! (Portuguese · Spanish)

From elementary school to university,
how much and when does it cost?

Is it true that Japanese public
university isn't free?

How to prepare for it?
How does Japanese family manage it?

Even permanent residents or long
term residents can get scholarship
or loan?

**Details of education cost and method of preparation will be explained.
You can find the appropriate method for your family!**
